CENTRAL LORNE LIVING

One of Lorne's first "fisherman's homes" on a superb sun-drenched double street frontage, gently undulating allotment. The 3 bedroom residence sits proudly at the front of the block and the extra-large nature strip greatly enhances the feeling of space.

In original condition the solid conite construction adds a charm not seen today, with a striking view to the pier from the front door. The home's established landscape, split system heating and cooling, carport, formal pathways and outdoor workshop greatly enhance this prime opportunity. While the expansive 655 sqm allotment underpins any further development (S.T.C.A.).
