

15 Charles Street Anglesea, VIC

 4  1  3

PRIME OPPORTUNITY IN PRIZED LOCATION

Perched on the high side of the street in one of Anglesea's most sought after pockets. This tri-level home is set on a beautiful, secluded block of around 809m² and features views over the township and surrounding hills with blue and white water views. Comprising four well sized bedrooms, two open plan living areas, a modern kitchen with stone tops, quality Miele appliances and glass splashback, ample storage inside and outside, solar boosted gas HWS plus solar panels and inverter, front and rear deck areas and ample off-street parking. Timber floor features in the living areas with 100% wool carpet to the bedrooms and stairs. Beautifully maintained the home boasts a sunny northerly aspect and a fresh presentation with absolutely nothing to be done by the new purchaser and with loads of added features.
