Lorne Hinterland Farm let

Comfortable 4 bedroom, 2 bathroom, updated farmhouse on approximately 7acres, with established gardens and green grassed paddocks, with views over the Otway forests and distant farm properties.

A private location, but not off the beaten track.

With all the trappings that Lorne has to offer only less than 20minutes down the road, and thriving Birregurra just over 10 minutes the other direction, the location could not be better. Deans Marsh town is a few minutes away itself, with primary school and the very popular General Store/Cafe.

Suitable for individuals or families looking for a long term country home with the ultimate living and entertaining, this farm retreat has the lot.

At the bottom of property is a fenced dam (abundant with yabbies & the odd elusive silver perch) stepping up to an elevated timber deck and small jetty. There are 3 golf greens spread over the vast lush green open south half of the property, also another newly fenced paddock, close to the house that may be utilised for a pet that requires space.
